September 2018

Dear Parent/Carer

Annually we hold a careers convention within our school and invite colleges, local businesses, careers representatives and training providers to attend and offer information, advice and guidance to our students. This year the event will take place on **Thursday 1st November 2018 between 6.00pm and 8.00pm** in the main hall.

We would strongly encourage you to attend the event with your son or daughter for the following reasons:

- The event is particularly important for **Year 9 students** in order to inform their option choices and **Year 10 and 11** students as they make decisions about their future qualifications and careers. It is also open to **Year 8 students** and any adults who would like to attend.
- All of our **local colleges/sixth forms/Independent 6th forms/University of East Anglia** will be represented - if your son or daughter has a particular course or career in mind for the future it is important to check which GCSE grades might be required
- This is a chance to discuss **careers, training and further education opportunities** with a range of advisors, employers and training providers. As well as **apprenticeship** opportunities.
- The event is being opened up to the **wider community** so there will also be support and advice available to adults looking at a career change, further training and qualifications or to get back into work
- I will be present too if you have any specific information requirements or Post16 issues you would like to discuss with me regarding your son/daughter.

We look forward to seeing you at the event.

Yours sincerely

Bal Tawana
