

Alderman Peel High School Communication Guide for Parents and Carers

September 2018

Dear parents / carers

As you are aware children who receive support from their parents and carers in meeting the schools expectations perform better in their GCSEs. Communication is essential to maintain consistency and to rectify any issues when they arise. In an attempt to make this easier please see below a list of people to contact. As I am sure you appreciate staff are very often busy teaching or meeting with pupils, parents or other agencies to provide support. For example: There are fifty lessons in our two week timetable each of which is an hour long. Teachers teach on average 43 of these periods and also have to plan these 43 lessons as well as lead tutor periods, plan and mark homework, write reports, provide intervention and additional support to pupils as required. Many staff also organise before school, break, lunchtime or after school clubs or revision sessions.

Communication is therefore difficult and it may take some time to respond. If something is urgent, for example involves a child's safety or transport from school on a particular day please phone school. On most occasions email is more efficient and less time consuming for all. If appropriate the staff listed may ask other staff to respond directly to you.

Our website also has a "contact us form" which is checked at least every morning and questions or information directed to the appropriate member of staff.

We have also just launched our Twitter page @Alderman High. This is also available on the front page of our website.
