Dear

You may have heard in the media about funding schools are receiving, called the Pupil Premium, that aims to support eligible students to help ensure they receive every opportunity to help them reach their full potential at school.

According to the Department for Education your child(ren) are currently entitled to support through the Pupil Premium funding.

Students entitled to the Pupil Premium might be eligible for a variety of reasons including:

- Currently entitled to Free School Meals
- Previously have been entitled to Free School Meals over the last six years
- Students who have parents serving in the Armed Forces
- Students who are currently 'looked after' by the Local Authority

It is up to schools to decide how this money is allocated to support students. Here at Alderman Peel High School we are consulting with students, parents and staff and governors to develop a series of pledges that we intend to make available to every student eligible for the Pupil Premium. As well as developing a personalised learning plan for your child(ren) so that they fulfil their potential.

Enclosed with this letter is a feedback form I would like you to complete (with your child(ren)) and it will help us to develop support structures to support your child(ren) and allow them to reach their full potential.

In addition, if your child achieved below a level 4 in literacy or numeracy at the end of their time at primary school, they may also be entitled to 'Catch Up' funding that allows the school to put in place additional support to raise their attainment in English and Maths. If this is the case you will be informed by a separate letter.

If you have any questions regarding the Pupil Premium or you would like to let us know how best we might be able to support your child(ren)'s learning please contact me at the school or emailing office@aldermanpeel.norfolk.sch.uk

As a school we are committed to supporting all young people in the school to reach their full potential.

Yours sincerely

Mr Bal Tawana
