Thursday, 06 September 2018

Dear Parent/Carer,

I am writing to you to offer you the opportunity to purchase from school a revision guide and workbook combined for the Science GCSE's that your child will be sitting in summer 2020.

We started teaching the GCSE Science course in year 9, as there is such a large amount of content. It is good practise and beneficial if our students begin exam practise as soon as possible.

There are many revision books being published and this is my recommendation based on the samples I have seen.

If you wish to purchase, please return this order form to Mrs Kelly in S4 by Fri 28<sup>th</sup> Sept with payment (online payment preferred) the books should be ready for collection from the 3-4 weeks later, if they are available sooner pupils will be made aware.

Students in receipt of Free School Meals will receive these books for free.

Yours sincerely

  
Mrs S Kelly (Head of Science)

.....  
.....  
Double Science pupils only need to have 1 book, Separate Science students can buy 3 books.
