

09th November 2017

Dear Parent/Carer

As you know Year 11 can be a difficult challenge for students, families and school staff!

The rewards available are significant and from experience we know are worth all of the hard work required.

We are really proud that every year we have a year eleven Prom jointly organised by students and staff so that we can all celebrate student's success and wish them well in their future.

The Prom is a reward for pupils who meet all of our expectations and as such those who do not meet our expectations will not be invited to attend.

This includes:

- Attendance – should be above 96%;
- Attitude to learning;
- Behaviour;
- Punctuality;
- Meeting uniform expectations;
- Completing all work to the highest possible standard.

I will inform pupils if they are at risk of not being invited to the Prom so they can adjust their actions to meet our expectations. I would like every single student to attend but our expectations must be met. I will, of course, consider individual circumstances such as absence due to unavoidable illnesses.

If you have any queries regarding our expectations please contact me using the online contact form on our website.

Yours sincerely

Alastair Ogle
Headteacher
